CONCERT

Concert Plant 3

REO-PACK congratulates Concert GmbH on the opening of their 3rd production factory making them the largest producer of non-woven fabrics in the world. The 3rd factory is key to maintaining Concert's position as the world leader in non-woven airlaid fabrics and we wish them every success.

We thank Concert GmbH for the confidence they have shown in REO-PACK over the last 10 years as supplier of roll handling equipment, packaging lines and logistics systems.
